Organising Club:	RACB	Type of Event:	Circuit Racing - Car Race
Status:	International	Permit No:	C-S-SER-M38

The stewards, having received a report from the Race Director

No / Driver: 41 / Edward Pearson (Motorsport UK: 369009)
Session: Race 2
Time (Fact): 16:37
Fact: Allegation of gaining lasting advantage off track
Offence: Alleged breach of ISC Appendix L Chapter IV 2 c)
Decision: No Further Action
Reason: The Stewards heard from the driver and Competitor's Representative and viewed on-board video from cars #41 and #12 (following). The Stewards are satisfied that whilst car #41 left the track at T4, this was due to a slowing car in front and the move off track was for reasons of safety. Whilst car #41 did gain an advantage from this move, the advantage was given up at T5 on the same lap. The Stewards, therefore, take no further action in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
